ABOUT G H RAISONI COLLEGE OF ENGINEERING, NAGPUR

G H Raison College of Engineering, Nagpur established in 1996, is one of the Premier and Esteemed Research Institute in Maharashtra and Central India which has made its mark on global scenario. GHRCE is an Autonomous Institute under UGC Act 1956 and affiliated to Rashtasant Tukdoji Maharaj Nagpur University, Nagpur. It is the third private institute in Maharashtra to get this coveted status. The institute has successfully completed World Bank project under TEQIP Phase I and one among the very few to receive the TEQIP Phase-II grant. Our ultimate aim is to create world class Technocrats. The institute is duly accredited by National Board of Accreditation (NBA) of AICTE New Delhi. GHRCE offers seven UG programs, 13 PG programs and four doctoral programs in engineering and technology. GHRCE is Approved Research Centre for PhD programs.

ABOUT THE COMPUTER SC. & ENGG DEPT.

The Department of Computer Science and Engineering (CSE) is established in 1997 and offers a broad undergraduate and graduate curriculum, based on the application and theoretical foundations of computer science. Students are instructed by experienced faculty and well prepared for industry positions, competitive graduate programs, and academic positions. The Department of Computer Science and Engineering (CSE) offers undergraduate degrees BE in Computer Science & Engineering and M Tech/ME in Computer Science & Engineering, Wireless Communication &

Computing, Embedded System & Computing and Mobile Technology. The department has also received the grants like RPS, MODROB from AICTE and DST-IEDC grant from DST, New Delhi.

ABOUT THE WORKSHOP

This workshop will boost the students and academicians to come to gather and have a understanding on current trends in Network Security. As Network Security is the newly introduced subject in UG and PG level in the area, it needs the platform to explore it more. It is important in the respect of understanding current security scenario and possible attacks and threats on networks. Another objective is to understand the possible mechanisms and solutions to counter the security threat.

The workshop will cover the issues like security related to IPv6, Linux security, security at the device level, ethical hacking and many more related areas.

Students and faculties will get the awareness and exposure in the area of Network Security.

RESOURCE PERSONS

The various sessions will be handled by expert academicians from IIT, IIIT, VNIT, & D-Link. Competent and experienced personals from industries will also deliver technical sessions.

ELIGIBILITY:

Faculty from AICTE approved engineering colleges, Polytechnics, research scholars, PG and UG students and participants form industries are eligible to attend this program.

REGISTRATION FEES

The registration fees of Rs 100/- will be charged form the participants.

(Demand draft to be drawn in favor of Director, G H Raison College of Engineering, Nagpur)

SCHEDULED DATES:

Last date for receipt of application: 15 Feb 2012

Information of selection through : 18 Feb 2012

E-mail:

Application form completed in all respects is to be sent on or before 15 Feb 2012 to

Prof K N Hande
